

TPN.health Association Account

An account with TPN.health gives you the ability to manage all of your association activity in one place with ease. Your customizable profile is the place to share everything there is to know about your association with your members, potential members, or digital community on the TPN.health platform.

Features include:

- ✓ Admin Dashboard
- ✓ Host Events/Conferences - Live & On Demand Options
- ✓ Event Moderation
- ✓ Data Collection & Analysis
- ✓ Private community board to share important updates, research, information, or just create community with your association members
- ✓ Ability to invite your entire network to join TPN.health and your association page for FREE!

What TPN.health Handles

The TPN.health team is an extension of your association. Our team handles all of the heavy lifting when it comes to your association. Have peace of mind that the details are being taken care of.

Here is what TPN.health is capable of running for you:

- ✓ Start to finish event creation - registration page, national CE accreditation, event moderation, evaluation and certification distribution
- ✓ Marketing - Email, Social Media, SEO
- ✓ Support - a team ready to answer questions about the TPN.health platform
- ✓ CE Storage Management & Data Collection
- ✓ CE Accreditation (NBCC, APA, NAADAC, ASWB and more)
- ✓ Membership Due collection (additional cost)
